Speakers:

Naomi Klein, Westchester County
Department of Transportation
Kevin Roseman, Westchester County
Department of Public Works

Topic:

Ms. Klein will be discussing Westchester County's exploration of implementing Bus Rapid Transit along Central Avenue, one of the County's most prominent commercial corridors, to reduce travel times, attract new riders, improve corridor mobility and overall operating efficiency. Mr. Roseman will be detailing a number of unique and interesting projects the Westchester County Department of Public Works has been involved over the last year which impact the traveling public in direct and indirect ways.
